

## **MISSION STATEMENT “Learning and Living Our Faith”**

St. Jude Catholic School is the educational center of our diverse faith community. We demonstrate our commitment to living as Jesus taught by continuously refining and integrating Catholic values, not only in the academic setting but also throughout our lives in both our Parish and the community-at-large.

## **SCHOOL PHILOSOPHY**

It is the philosophy of St. Jude School to recognize the parents as the primary educators of their children. Therefore, it is with the active involvement of our parents that together we strive to help our students reach their fullest potential by helping them become:

**Spiritual Persons** who constantly seek to further a relationship with God: who recognize and proclaim the goodness and grace of God in themselves and in others; who are willingly committed to a Christian lifestyle, and who worship actively with the Faith Community.

**Loving Persons** who willingly and creatively share time and talents with the diverse society, who are accepting, compassionate and sensitive to those who are met throughout life, while continuously spreading the message of Jesus Christ.

**Responsible Persons** who confidently and competently respond to meeting just needs, protecting personal rights, and respecting the earth’s environment; who are committed to peaceful resolution conflict; striving for academic excellence based on the individual needs and capabilities.

**Hope Filled Persons** who are rooted in our still unfolding Catholic tradition; who are eager to face in faith and trust an uncertain future with a critical, reflective, creative and peaceful anticipation.

## **I GENERAL INFORMATION**

### **OFFICE HOURS**

The school office (815-485-2549) will be open on school days at 8:30 AM. The office will close on full days at 4:00 PM, Early Dismissal days at 2:30 PM and on Half Days at 12:00 PM. We ask that all business be taken care of during this time. If you need attention outside regular hours, leave a voice message on the answering machine and your call will be returned as soon as possible.

### **CALENDARS**

The calendar is available for viewing on the school link to the parish website [www.stjudes.org](http://www.stjudes.org). Changes to the calendar will be listed in the newsletters of the teacher and principal. Notice of activities and special programs and events will be sent home each Thursday to inform you of the latest school news, important notices and reminders. Check the “Schoolnotes” link on the first day of each school week for teachers’ updated newsletters.

### **LOST AND FOUND**

Misplaced or lost clothing, valuables, books, lunches and school bags are brought to the “Lost and Found”. Items may be reclaimed before and after school and during the lunch hour. Unclaimed items will be given to the needy at the end of the school year.

### **NON-CUSTODIAL PARENT RIGHTS**

The school follows the Buckley Amendment and will provide an estranged parent with access to the records and other school-related information about the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with a copy of the court order.

### **STATE CERTIFICATION**

The State of Illinois and the Diocese of Joliet license this school. School personnel are licensed and qualified by the State, parish and diocese. State and diocesan guidelines are followed.

### **NON-DISCRIMINATION POLICY**

St. Jude’s School does not discriminate nor restrict admission based on race, gender, national or ethnic origin. Each child has access to the rights, privileges, programs and activities accorded to all students of the school. Restriction is based on individual behavior and the policies of the school. All students take Religion class and participate in weekly Mass.

### **AMENDING POLICY**

The principal retains the right to amend the Parent/Student Handbook for just cause. Parents will be given a prompt notification if changes are made. The amendment will be presented to the School Board for consultation and discussion.

## **II ADMISSION**

### **REGISTRATION**

Admission is open to parishioners and non-parishioners. Registration for both current and new students takes place each year beginning in January. Forms are first sent home for current parents to complete and submit with initial fees. Registration is then open to new families, space permitting.

#### **Admission requirements for Kindergarten are:**

- \* Must be 5 years of age by September 1 of the enrollment year
- \* Certificates of Birth and Baptism must be presented. These are copied and returned.

#### **Admission requirements for grades 1 to 8 are:**

- \* Report card from the previous school.
- \* Recent achievement test scores.
- \* A transfer form from the previous school.
- \* Up-to-date physical and immunization record.

A complete and signed registration form must be submitted along with a nonrefundable registration fee at the time of registration. The book fee will be refunded if the school rescinds the decision to accept the child. No refunds will be given after June 1 as books will already have been ordered based on the expected total for the class. Parents who register their children agree to the policies as stated in this handbook. All new students for any grade will be admitted on a probationary basis for the first three months.

### **PHYSICAL and DENTAL EXAMS**

All students entering Kindergarten and Grade 6 are required to undergo a physical, dental and eye exam prior to the start of school. Second grade also requires a dental exam. The exclusion date for students in noncompliance with these policies is October 15<sup>th</sup>.

Yearly sports physicals are needed to participate in any sport grades 5-8. Sports physicals must be completed before the first practice date.

### **IMMUNIZATIONS**

The State requires that all students must be properly immunized before being admitted to school. The school reviews all health records. Students not meeting all necessary health requirements must remain home until the proper immunizations have been received or an equitable solution found.

### **INSURANCE**

All children must have a primary insurance carrier. The school insurance is a secondary policy that will supply coverage only after the primary insurance has been used. Athletes must supply proof of insurance before playing.

## **III SCHEDULE**

### **SCHOOL HOURS**

Students may not enter the building until 8:55 unless they are in Morning Care or a supervised school activity. Doors for car riders will open at 8:55 and close at 9:05. Parents will be billed for Morning Care supervision. Students are to report to their homeroom upon arrival. Class begins by 9:15. Students arriving after 9:05 must report to the office for a tardy slip. Bus riders arriving after 9:05 will NOT be considered tardy, but are expected to proceed to classrooms as quickly as possible. Classes dismiss at 3:30.

### **LUNCH AND RECESS**

Menus for hot lunch are distributed and must be ordered monthly. Glass bottles are not permitted for safety reasons. Soda is discouraged. Highly caffeinated beverages of any kind are not permitted. Parents are not allowed to join their children for lunch. Please drop off forgotten lunches in the school office. **Fast food lunches are highly discouraged.** No child is allowed to leave the school grounds at lunchtime. With adult supervision and, weather permitting, students enjoy outdoor recess. All children are expected to go out at recess time. A doctor's note is necessary to excuse a child from outdoor activities. Students remain inside during severely cold or inclement weather.

If there is no call or note, parents or guardians will be called. **Upon return to school, a written, dated, note signed by the parent or guardian stating the reason for the absence must be presented to the teacher. A child without this note will not be allowed back in class until a parent has been contacted.** An absence of 3 or more days will require a doctor’s note. Cases of excessive absence or tardiness will be brought to the attention of the Will County Truant Officer.

#### **EXCUSED ABSENCE**

Illness/Injury  
 Doctor/Dentist Appointment  
 Funeral  
 Court appointment

#### **UNEXCUSED ABSENCE**

Vacations  
 Non-school events  
 Personal Business  
 No note from a parent

#### **PRINCIPAL’S DISCRETION**

Family Vacations

The school discourages vacations taken during the school year because it interferes with the educational process. Parents are asked to schedule vacations when school is not in session. If not possible, the family must take responsibility for subject matter presented during this period of time. Parents taking children from school for vacation must present a written request to the classroom teacher one week before the student’s absence.

#### **MISSED WORK**

Daily absence: Parents may request the work the student has missed either by calling the school office before 9:00 a.m. or by sending a note to the teacher. Any work must be picked up in the office after 3:30 p.m. All missed work will be made up or equivalent work will be assigned and taken in its place. Makeup work due to illness is due the number of days absent plus one. Vacation: Work missed will be made up. Assignments cannot ordinarily be sent home before the vacation.

#### **EXCESSIVE ABSENCE**

Daily attendance is required. If a student exceeds the maximum number of days absent per trimester, the teacher will determine the student’s grade and/or retention, subject to the approval of the principal. The maximum number of days absent is generally considered to be 10% of the 176 required days of regular attendance (normally 18 days). The Will County Truant Office will be notified in cases of excessive absences or tardiness.

#### **EARLY DISMISSAL**

**Any request for an early dismissal must be submitted in writing,** sent to the teacher and forwarded to the office. The reason and time of pickup should be noted as well as who will come to pick up the child. Students picked up early must be picked up in the school office and signed out. If the adult is not the parent or guardian, picture identification will be required. If the adult is not the one noted in the correspondence, the child will not be released. Early dismissal will be recorded as ¼, ½, or ¾ days absent.

#### **TARDINESS**

A child late for class is a disruption for the teacher and the class and forces the child to have to “catch up”. A child is late if he/she enters the building after 9:05 a.m. If a child is late for any reason, he/she must stop in the office for a tardy slip to present to the teacher. If possible, a note explaining the tardy should be presented on the day following the tardy. Students arriving by **bus** after 9:00 a.m. are not considered tardy.

Excessive tardiness in a trimester will result in the following actions. 3 times = 1 warning by teacher phone call or note, 6 times = parent-teacher conference. After 3 times tardy in one trimester, students will stay in for recess to make up for the missed time. Five minutes will be served for each minute late.

## **WITHDRAWALS AND TRANSFERS**

Parents withdrawing or transferring children for any reason must notify the school at least one week before withdrawing and satisfy unpaid fees, tuition or other obligations. NO actual records of attendance or progress will be forwarded unless all fees and tuition matters are settled. All books and workbooks will remain in the school.

## **V ARRIVAL AND DISMISSAL**

### **BICYCLES**

Bicycles are to be locked and placed in the racks. Bike riding on school property during school hours is not permitted. Riders will be dismissed as walkers.

### **CARS**

In the morning, cars form a single file line on the east side of the school building (near the Junior High Science room). Students may be dropped off between 8:55 a.m. and 9:05 a.m. No child will be admitted through the side doors after 9:05 a.m. Admittance after that time must be through the west doors near the gym and the child will be considered tardy. In the afternoon there will be two pick-up lines. Children with last names beginning with A-J will be picked up at the Church entrance. Students with last names beginning with K-Z will be picked up in the West lot. If you designate someone else to pick up your child, tell him or her that they may be required to show a picture ID. In case of a wedding or funeral, parents will be notified and all students will be dismissed through the West doors.

### **BUSSES**

The bus drop off in the morning is in the West lot. In the afternoon busses will pick-up in the Southeast parking lot in front of the school. Bus riders may not return for forgotten items since the buses cannot wait. If your child usually rides the bus but will be a car rider, call the office or send a note so the child will be dismissed with the "car rider" group. Due to District regulations, parents are not allowed to remove a child from the bus once he/she has entered. If you need to make alternative transportation arrangements for your child, please notify the office before 2:00 p.m. so that we have sufficient time to notify the child and the teacher of the change.

### **NO BUS SERVICE DAYS**

Due to differences in the Diocesan schedule and District 122's schedule, there are a few days during the year when there will be no bus service for SJS students. Parents will be notified well ahead of time of these changes. On these days, please follow the procedure listed below.

### **MORNING DROP OFF**

Please use Second Avenue and the North church lot and form a single file line on the east side of the school building (near the Junior High Science room). Drop off time is from 8:55 a.m. to 9:05 a.m. Students arriving late must go to the West door (back of school building) and will be considered tardy after 9:05 a.m.

### **AFTERNOON PICK UP**

Families with the last names beginning with **A-J** will be dismissed out the Church entrance.

Families with the last names beginning with **K-Z** will be dismissed out of the West doors (back of school building).

### **BUS SAFETY**

Lincolnway Transportation provides free bus service for our children who live at least 1.5 miles away or are in a hazardous area for walking. Schedules are created by Lincolnway Transportation, which sets its own rules. These regulations are to be followed and considered an extension of school rules. The principal will determine course of action if rules are disobeyed. Repeated offenses or misuse of the service may result in the student being restricted from bus service. Students may not use bus service to go anywhere except home, even with parent permission.

## **VI HEALTH and SAFETY** **EMERGENCY INFORMATION**

All emergency information on the registration form and emergency card must be completed, signed and updated by each child's parent. This information must include the following:

Parent's address, home and work phone numbers of both parents, names and phone numbers of three persons, who could come to pick up a sick child if the parents cannot be reached, and the name and phone number of the family doctor. Anyone unknown to school staff picking up a child must show a picture ID. The parent must phone to inform the school that someone other than the person named on the card will pick up the child or the child will not be released. The child must be signed out in the office. This information must be kept current. Please notify the office IMMEDIATELY of changes to avoid a sick child being kept at school unnecessarily.

### **HEAD LICE**

In the unfortunate event that head lice is identified, a check of every child in the classroom will be mandated. A random check of other students will also be done. The affected child will be required to leave school for the remainder of the school day and can return to school after appropriate treatment has begun. A second check will be done by school personnel 7-10 days after treatment has begun.

### **EMERGENCY CARDS**

Emergency Information Cards are turned in on Information Day and are used in the event of illness or accident. If a student has a physical condition of special concern (epilepsy, asthma, diabetes, etc.) please notify the office and the teacher at the beginning of the school year.

### **EMERGENCY SCHOOL CLOSING**

Radio and TV stations in the area will carry announcements of the closing of school because of emergency or weather. You can also check the website [www.emergencyclosings.com](http://www.emergencyclosings.com). The closing will also be posted on the Parish website as soon as possible.

### **FIRE – TORNADO**

Students will be taken to a safe area where they will be released only to a parent or person listed on the Emergency Card. Because of the possibility that instructions must be given, absolute silence is to be maintained and students are expected to proceed in an orderly fashion. All people in the building must evacuate or take cover.

### **MEDICATIONS**

School personnel are not permitted to dispense medication to children. If the child cannot self-administer the medication, the parent, or an adult appointed by the parent, must come to school to administer the medication. A special form, available in the school office, must be signed by a parent and the child's physician and kept on file. This form must be updated annually. Medication must be clearly labeled in the original prescription bottle. All prescription medications, except inhalers, are kept in the school office. Over the counter medicines, even cough drops, are not allowed without a note from the parent and signed consent of a physician. These may be held by the teacher or school office until needed at which time the child may self administer.

### **ILLNESS OR INJURY**

In case of illness or serious accident or injury, parents will be notified. No child will be released to anyone not listed on the Emergency Card unless the parent has called. In case of serious accident or illness and the parent or emergency numbers cannot be reached, the school will take emergency measures for the safety of the child. Please do not send a sick child to school. Also, encourage your child to tell an adult at school if they have been hurt or are feeling ill so that we can take the appropriate measures.

An Automated Electronic Defibrillator – AED, is available in the gym facility. Staff and coaches have been trained to use it according to the parameters of the State regulation.

### **PEST CONTROL**

The School Building, gym and Franciscan Hall are treated monthly for pest control purposes.

## **BULLYING**

**St. Jude School attempts to provide a safe environment for all students. Bullying or cyber bullying are taken very seriously and can be grounds for expulsion. Please see the Diocese of Joliet's Bullying Policy at the end of this document.**

## **CHEATING**

Cheating of any type will not be tolerated. Students who choose to cheat face a failing grade, suspension, and/or expulsion. A student athlete who is involved in cheating will also be unable to participate in sports.

## **CHILD ABUSE AND NEGLECT**

St. Jude School abides by Illinois laws requiring educational personnel to report **suspected** cases of abuse or neglect to Child Protective Services.

## **PROTECTING GOD'S CHILDREN**

The Diocese mandates this program to protect children from sexual abuse. Workers or volunteers (coaches, room parents, chaperones or any supervisory personnel) must submit to a background check and attend an awareness session, "Protecting God's Children", given at many locations in the diocese: See [www.virtus.org](http://www.virtus.org) for a list of available sites. Parents must sign an agreement for the proper use of the internet used by students.

## **COUNSELING**

In instances of trauma or great emotional need, families will be put in touch with a licensed counselor. Services are usually offered on a sliding scale reflecting the financial status of the family.

## **CRISIS MANAGEMENT PLAN**

All teachers and staff are aware of the procedure to follow to keep your children safe in an emergency. Crisis will include fire, tornado, intruder, bomb threat, attack on the U.S., bus accident, weapons possession, or death of a student or staff member. In the event of an emergency that requires evacuation, circumstances permitting, students will be moved to one of two secure designated locations.

1) The school parking lot      2) District 122 Administrative Center on Cedar Road

A complete crisis plan is available in the school office. Parents may call the school for emergency status.

## **VII PROCEDURES**

### **VOLUNTEERS**

Parent volunteers are needed, at times, to assist the school and staff during the year (room parent, playground supervisor, Parents Club activities, etc.). All parents are urged to donate whatever time or services they can for the benefit of the school and our students. **VOLUNTEERS MUST HAVE ATTENDED A PROTECTING GOD'S CHILDREN WORKSHOP** and have a background check done.

### **VISITORS**

Anyone entering the school building at any time is to report to the school office immediately. After students come in at 9:05 a.m. the only doors that may be used during school hours are the North and West doors. If a child forgets an item, the parent must bring it to the school office and it will be given to the child. All volunteers must report and sign in (and out) in the school office. Visitors will be given an identification badge and must display it while they are in the building. Visitors without identification badges will be considered intruders and a police call may be made.

### **MESSAGES/PHONE CALLS**

The office telephone is for business purposes only. Children are not allowed to use the office phone without written permission from a teacher, unless sick or injured. If you need to get a message to your child during the school day, please call the office and we will relay the information. Cell phones, if brought to school, are to be kept in the child's locker in the "off" mode. The school prohibits cell phone usage during the school day except in the case of an emergency or with the teacher's permission.

### **MONEY SENT TO OFFICE**

Any money sent to school with children must be in a sealed envelope and labeled with the child's name, grade, amount, and purpose of the payment. **EXACT CHANGE IS NECESSARY.** Payments for separate items must be enclosed in separate envelopes for different classes. At times, several activities occur at the same time with different coordinators. Separate envelopes will help keep accounts accurate. Children should not bring or keep money or valuables in their desks. The school is not responsible for missing money or items.

## **WEEKLY FOLDERS**

Each week, on Thursday, Family folders are sent home with the oldest or only child in the family. The information is time sensitive and must be read as soon as possible. Please remove the contents when it is brought home. If it is not given to you, ask for it. Sign the signature form and send it back via your child on Friday. If you represent an organization and have information for the folder, call the office for the date it must be here for inclusion.

## **LOCKERS**

The inside of the locker may be decorated with magnets and appropriate photographs. Please do not decorate the outside of the locker for any reason.

## **VIII FINANCES**

### **TUITION, BOOK AND TECHNOLOGY FEES**

Tuition can be made in one payment (by August 1<sup>st</sup>) for a discount or in eleven monthly payments (July-May). The payment plan is through the FACTS program with a payment due by the 5<sup>th</sup> or 20<sup>th</sup> of each month. For FACTS, a setup fee, paid in June, sets up an automatic bank account deduction program or credit card charge for the initial payment for the year beginning on July 1. Any credits earned during the year as a result of fundraising are deducted from the March statement through the end of the year. Students will not be permitted to remain in school if payments are not made.

### **REGISTRATION FEE**

These fees cover initial costs of textbooks, workbooks, duplicating materials, testing materials, and supplies.

### **BOOK FEE**

This covers any texts, paper costs, workbooks, and learning materials used in the classrooms.

### **TECHNOLOGY FEE**

These funds are used for the Computer Program to purchase ink cartridges and maintain equipment. An extra fee is charged to students in grades 5-8 for use of the netbook computers.

### **LATE FEE**

If a tuition payment has not been received by the date selected, and the parent has not initiated contact, a late fee will be added to the tuition obligation. This is in addition to any NSF charge from the bank.

### **OTHER FEES**

A fee is charged for materials associated with Reconciliation, First Holy Communion, Confirmation, and Graduation.

Students may request duplicate copies of papers they have lost. A \$.25 per page fee will be assessed to cover printing costs.

### **DELINQUENT TUITION**

Tuition accounts will be considered delinquent if a payment is missed without notice. If a second payment is missed, the student will not be allowed to return to school until an arrangement has been made. Progress reports, report cards, diplomas, and test results will be held until delinquent accounts are satisfied.

### **NSF CHECKS**

Insufficient funds will be assessed by FACTS according to what the bank has assessed the program. A second NSF will require that all subsequent payments be made in cash.

### **FUNDRAISING**

Fundraising is necessary to make up the cost of education not covered by tuition. It is an important factor in the support of our school. According to the Fair Share Program, each family will be assessed a fundraising amount based on the number of children enrolled in school. They will also be required to earn a minimum of 20 hours of volunteer service.

### **REQUIRED FUNDRAISER**

This is usually ONE activity in which all school families are required to participate. The monetary goal, projected in the budget is based on 100% participation. Less than that requires the difference to be borne by the families participating. The targeted amount to be raised is set after the budget committee has considered the tuition rate, fee schedule, and amount of subsidy (not more than 25%) to expect from the parish. Families are encouraged to surpass their obligation.

## **MANNA**

These are store certificates for various stores and services. Manna can be ordered through school (forms are available in the school office or on the school website) or purchased in the West Narthex of the church between 10:00 – 11:00 AM on Sundays. A percentage of the company profit is sent to the school. Half of this amount is put into the school budget, while the other half may be applied to tuition, extended care, hot lunches, and field trips (after March 1).

**OTHER FUNDRAISERS** will be offered throughout the year to meet the school wide fundraising goal. These fundraisers are optional. Any extra funds will be used to diminish our dependence on the parish subsidy.

## **IX CONDUCT and DISCIPLINE**

Discipline will be administered fairly. Parental cooperation and support are necessary. The growth of the student is emphasized. The school should be an extension of the home in guiding the student's growth in virtue and Christian attitudes. **If you do not agree with a discipline approach or assignment, please discuss it with the person who enacted the discipline in private, without the student present. Adult issues should be discussed between adults before the child is asked to be present.**

*Under no circumstances will corporal punishment be utilized.*

### **BEHAVIOR**

Christian attitudes and respect for others will prevail. Silence is to be maintained in all public areas of the building during the school day due to other classes being in session. Running is not allowed at any time for safety reasons. Cheating and forgery will be considered serious infractions. Vulgar language or swearing is not permitted under any circumstances.

### **DRUGS/ELECTRONIC DEVICES**

Students found using or possessing alcohol, drugs, or cigarettes will be suspended from school pending parental notification. Police will be notified since possession of these items by a minor is a violation of the law. Electronic devices such as iPods, MP-3 players, laser pointers, iPads or handheld games will be confiscated and held in the office for parent pickup. Electronic reading devices, such as Kindles, may be used with teacher approval. No device that may access the internet is permissible. Cell phones, if absolutely necessary, must be kept in the "off" mode and in a backpack, in the student's locker. They are not allowed to be used during the school day or in Before or After Care, except in cases of emergency or with special permission. Unauthorized use will result in confiscation. The school is not responsible for lost or stolen items.

### **LUNCH and RECESS**

Proper eating habits and table manners are expected at all times. Children are to remain seated at assigned tables. Except in cases of emergency, children must raise a hand and be recognized. Children may not walk around to visit with others or exchange food. Students are expected to clear their places, help with table cleanup and properly dispose of trash before lining up quietly to leave the cafeteria. Talking should be at an appropriate level for the table. Students are to walk at all times. Children are expected to respect and obey all adults who assist with the lunch program and to be kind, polite, and considerate. Playground rules and behavior are posted emphasizing safety, courtesy, and respect for others. No food or drink is allowed outside at recess. Playground supervisors assume complete authority while on duty. Gum is NOT allowed at any time. Any candy brought as dessert is to be eaten for lunch or returned to the classroom in the student's lunch box. Highly caffeinated beverages are not allowed and soda of any kind is discouraged. We encourage fruit drinks and milk as part of a healthy eating plan.

### **DISCIPLINE REFERRALS**

Teachers will communicate a behavior problem to parents by way of a form that may include the issuance of a written punishment, misconduct notice, or notice of detention. **PINK** Parent Notices will be issued for inappropriate behavior in school, at recess, at a school-sponsored event, or any event where the child's school can be easily recognized. **BLUE** Parent Notices will be issued for missing homework assignments (at the discretion of the teacher). The form must be taken home and signed by a parent. Individual consequences may accompany a misconduct slip. After the third Parent Notice in one trimester, a student will serve a detention. If the student receives a detention notice, he or she must come to school for a supervised study from 8:05 a.m. to

9:00 a.m. on a designated Thursday under the supervision of a teacher. A detention may be served on the first infraction depending on the nature of the behavior at the discretion of the principal. If a student fails to attend the detention, he or she will not be allowed back in school until the parent contacts the principal. Failure to attend a detention may result in suspension. The principal may give Saturday detentions. The student will be under the principal's supervision.

### **SUSPENSION**

This is the separation of the child from school for a serious or repeated offense. If the suspension is IN SCHOOL, the student is under the supervision of a staff member (usually the principal). Work will be sent from the classroom. The student may not participate in ANY school activities, before, during or after school. If the suspension is AT HOME, the student may not come to school grounds for any reason, including sports. Home suspension is invoked for a serious or repeated offense. Any deliberate threat of physical or emotional harm to teachers, others, or self, and/or any repeated incidences of misconduct could call for suspension from the classroom or school (from 1 to 5 days). The principal and teacher will hold a conference with parents before the child will be permitted to return to class. Students who are suspended must make up all assignments and tests. However, full credit will not be received.

### **EXPULSION**

This is a total and permanent separation of the student from the school. The student is no longer enrolled at St. Jude School. It is the responsibility of the parent to find a receiving school. Expulsion is the result of repeated misconduct after suspension or after a single serious offense as determined by principal and pastor. Expulsion is a serious matter and may be invoked because other means have failed or when the well being of the class, a student, or the school is endangered. Suspension/expulsion from school may be a result of:

- \*Bullying: Excessive/repeated, pushing, shoving, intimidation, threats, harassment, and/or verbal abuse
- \*Incorrigible behavior or disruptive conduct
- \*Reported display of serious disrespect to teachers, administrators or any adult serving in school
- \*Vandalism or theft of school, parish, or the property of others
- \*Possession, distribution, or use of drugs, alcohol, tobacco, or weapons
- \*Repeated violations of school or classroom regulations
- \*Membership in gangs or cults
- \*Fighting which results in physical injury - play or real
- \*Inappropriate use of the internet (at home or school), Cyber Bullying, or posting inappropriate pictures

If it is felt that further counsel is needed, the matter may be taken to the pastor and ultimately to the Catholic Schools Office of the Joliet Diocese. The School Board is not part of the process since its role is consultative in nature. No child will be summarily dismissed unless it is felt that the decision was made to protect the health and safety of the student, the student body, and/or the school staff. Local law enforcement may be called in.

## **X ACADEMICS** **CURRICULUM**

The school curriculum is approved by the Diocese of Joliet's Catholic Schools Office and meets State requirements. All textbook adoptions are approved by the Diocesan Schools Office and meet or exceed the same requirements in all Illinois public schools. Individual needs, basic skills and positive self-images are the major goals of the curriculum.

### **HANDWRITING**

Student work in grades K-4 should be in manuscript print. Work in grades 5-8 submitted for teacher evaluation, must be in ink (erasable OK) and in CURSIVE. The use of correction fluid is not allowed.

### **HOMEWORK**

The completion of homework is the responsibility of the student and the home. Students should complete homework with little help from others so the teacher is able to see if learning is taking place. A parent doing the work undermines the educational process and robs the student of the opportunity to grow intellectually and emotionally. All homework is intended to be review work, not new learning, so the child should know how to do it independently. If a child is having difficulty, or if the time spent is excessive, contact the teacher. The

material may have to be re-presented if it is clear some students did not understand. To know this, the teachers must know who is having difficulty.

The approximate amount of time to be spent on homework (written or read) is:

K	20 to 30 minutes	Grades 1-3	1/2 to 1 hour
Grades 4-5	1 to 1-1/2 hours	Grades 6-8	1-1/2 to 2 hours

It is the parent's responsibility to set up an appropriate time and place for study. Good study habits are important for personal responsibility and self-discipline. Students are issued an assignment notebook in grades 3-8 and are required to use it to list homework assignments.. Please check this notebook daily.

### **TESTING**

The Iowa Test of Basic Skills is given to grades 3 through 7 in September of each year. This test measures skills in reading, math, language, science, social studies as well as cognitive ability and aptitude. Group testing enables the professional staff to assess both individual and class progress and to evaluate the educational program of the entire school. Test results are shared with parents and retained in the student's record. It should be remembered that standardized tests are only one means of evaluation and should not be overrated or used to assess one child or compare that child to another.

### **TEACHER ASSISTANCE TEAM**

A group of teachers is selected and meets on a regular basis to help classroom teachers to meet the needs of struggling students. They will suggest strategies suggested by experts in the Special Education fields to try to help those students. If all strategies have been exhausted to no avail, the child will be referred to the District 122 special services program for consultation. Students who have gone through this procedure may be recommended to receive services through St. Jude's Resource teacher, Dr. MaryAnn Skummer.

### **FIELD TRIPS**

According to diocesan and state regulations, field trips are to be of an educational nature to enhance the curriculum and student experience. Field trips can be denied to a student if he/she fails to meet academic or behavioral requirements. School personnel and parents who have attended a "Protecting God's Children" session and have had a background check will accompany students if requested to do so by a teacher, All students must return a signed permission slip back to school by the designated due date or they will not be allowed to participate in the field trip. A telephone call does not replace the permission slip. Students not given parental permission to go on a field trip must spend the day in school or be considered absent. A portion of the field trip fee will be refunded if possible for an absent student. The admission portion will be refunded as long as the group is not charged. Parents are asked not to take siblings out of school to accompany another grade on a field trip. Chaperones are not allowed to bring other siblings.

### **TEXTBOOKS**

Textbooks are provided as part of the book and supply fee. The responsibility for the care of these rental books lies with the student. Hardcover books must be kept covered. Covers should not be taped directly to the book. The student must pay for books or workbooks that have been damaged or lost. At year's end, books, lockers, desks and equipment are checked. Damage should be reported when it happens or the parents of the student using the item will be billed. Upon student transfer, all books remain with the school.

### **LIBRARY**

All classes have weekly access to the library. Students are permitted to check out books for a period of one week. Fines are charged for overdue books. Books are to be treated with care and respect. The student must pay for books that have been damaged or lost. Library privileges may be withheld until all fines are paid and overdue books are returned. Any/all books must be returned by a designated day in May. Non-payment of a fee or non-return of a book may result in withholding of the final report card.

### **CONFERENCES**

Parent-teacher conferences are scheduled after the first trimester for all parents, to provide parents and teachers the opportunity to discuss the growth and progress of the students early in the year. Parental interest and concern are absolutely necessary in order for students to progress to their full potential. Teachers welcome questions and comments from parents. Parents are free to arrange a conference with the teachers at any other time by scheduling an appointment either by phone, email, or in writing. Concerns about the child should be first discussed with the child's teacher. Open, respectful, two-way communication, based on trust, is vital to the

establishment of a good home and school relationship for each student. Positive communication is essential in creating an effective school environment for the child. Should you have further concerns or have difficulty reaching a resolution with the teacher, make an appointment to see the principal. Should you be dissatisfied with the response, arrange to see the pastor. The “last resort” is contact with the superintendent of the Diocese. The school board is not part of the process.

### **STUDENT REPORT CARDS**

The Report Card identifies specific standards and descriptors that align with Diocesan Standards/Curriculum. These standards and descriptors identify the knowledge and skills students need within each subject area. The report card evaluates student performance in terms of what the child knows and can do relative to our curriculum and standards. Student report cards are issued for each trimester during the school year. Mid-trimester progress reports are issued to indicate progress or problems that can be rectified before the end of the trimester. The Report Card envelopes and mid-trimester Progress Report envelopes are to be signed and returned to the child’s teacher. Sign for only the current report. These reports will be sent home in the Thursday Family folder. Some classes will use a different report card in order to adhere to State Standards. The Diocese develops these forms currently used in Grades K through 8.

The evaluation forms are designed to report student achievement and effort. The achievement grade is objective and based on the child’s performance as measured against the standards. Effort and Behaviors that Support Learning are marked with symbols.

### **Report Card Codes for Grades K through 3**

The marks used to report progress are **4** (Exceeds Expectation), **3** (Meets Expectations), **2** (Approaches Expectations), **1** (Needs to Improve to Meet Expectations) and **NG** (Not Graded). The categories and their explanation are listed below.

**4 – Work Exceeds Expectation** ~ Student demonstrates an in-depth understanding of grade level concepts, skills, and processes taught to date and exceeds the expectation of the curriculum. Student completes tasks *without* teacher assistance.

**3– Work Meets Expectation** ~ Student consistently demonstrates an understanding of grade level concepts, skills, and processes taught to date to meet the expectations of the curriculum. Student completes tasks with *little* teacher assistance. (Most students will achieve in this range.)

**2 –Work Approaches Expectation** ~ Student’s work demonstrates that he/she is approaching an understanding of grade level concepts, skills, and processes taught to date to meet the expectations of the curriculum. Student requires *some* teacher assistance: prompts, directions, and reminders.

**1 – Needs to Improve** ~ Student has not yet demonstrated an understanding of grade level concepts, skill, and processes taught to date and needs consistent support. Student requires *significant* teacher assistance with prompts, directions, and reminders.

**NG** – Not Graded ~ Used when a particular subject is not taught.

Report cards serve to provide parents with a report of their child’s ability and achievement in academic areas, to evaluate the student’s development in attitude and behavior, and to encourage and motivate the student.

### **Report Card Grading Codes for Grades 4-8**

The general grading scale used in the Diocese of Joliet Schools is:

A+ = 98% - 100%	B+ = 91% - 92%	C+ = 83% - 84%	D+ = 75% - 76%	
A = 95% - 97%	B = 87% - 90%	C = 79% - 82%	D = 72% - 74%	F = below 70%
A- = 93% - 94%	B- = 85% - 86%	C- = 77% - 78%	D- = 70% - 71%	

## HONOR ROLL

### Honor Roll Requirements

Any “D” or “F” disqualifies a student from Honor Roll.

A “Pass” is required in non-graded subjects. Both Honor Rolls require good effort and conduct grades. A number indicating deficiency in any area will negate Honor Roll Status.

**Honors** : GPA 3.0 – 3.5

Classes that count toward GPA are Math, Reading, Spelling/Vocabulary  
Social Studies, Science, English/Writing, and Religion.

## RETENTION

Occasionally, a child may have great difficulty in mastering the basic skills for his or her grade level. In such cases, the teacher will make recommendations throughout the year and meet with the TAT in hopes of avoiding retention. Parents will be notified by the end of the second trimester if retention is being seriously considered for the child. Retention is chosen if it is determined that the child will not succeed at the next grade level after all remediation has been exhausted and is found to have had little to no positive impact. Promotion or retention is the ultimate decision of the principal in communication with the teachers and parents.

## GRADUATION

### Graduation Requirements

In order to receive a diploma from St. Jude School, a student must maintain acceptable attendance (less than 10% days absent) receive passing grades, including passing tests on the Federal and State Constitutions according to State mandate and be approved for graduation by the teaching staff. Parents will be notified by February 1 of the graduating year if a student is in jeopardy of failing. Final promotion decisions will remain at the discretion of the Principal.

A student who does not meet the above requirements may receive a certificate of attendance.

### Graduation Ceremony

To participate in the graduation ceremony, a student must be in good standing in academics and behavior. A notice will be sent if there is a possibility of the child's non-participation in the hope that there is time for the problem to be rectified. Participation in the ceremony, however, is at the discretion of the school, which may result in the diploma being mailed.

## CLASSROOM PARTIES and SPECIAL EVENTS

Classroom parties (grades K-8) must have the approval of the principal and the teacher. A small birthday treat may be brought to share with the class. The school is not responsible for parties held in the child's home. A student suspended from school is ineligible to participate in school sports activities, sit with the team, or attend practices until the suspension is lifted. Three suspensions will eliminate the student from the team for the remainder of the season as decided by the principal. Students who are absent on a school day may not participate in athletic practices or events that evening unless permitted by the principal. ### **DONOR' S RIGHTS**

Every effort will be made to avoid misleading donors as to the use of funds and the nature of activities the funds support. Such information will never be sold, rented, or exchanged with other companies or organization. The school will honor the known intentions of a donor regarding the use of any accepted funds. Questionable gifts will be referred to the Pastor and be evaluated on a case by case basis.

### **FAIR SHARE PROGRAM**

St. Jude School has a "Fair Share" program in an effort to keep tuition costs as low as possible and to strengthen our school community. The cost of each child's education is currently over \$6,400. Since tuition and fees do not nearly cover this cost, we must fundraise to help make up the difference. A minimum fundraising obligation is mandated by the Diocese of Joliet. We also rely on the generosity of the parish which contributes approximately \$208,763 per year (18.7% of our operating costs) in financial support.

There are two major parts of the Fair Share Program:

#### **A) Service Hours (not required of preschool families)**

Each family is required to perform at least 20 service hours for the school. Hours can be earned through direct (recess supervision, library aid, classroom helper, etc.) or indirect service (Manna helper, folder stuffing, working at fundraisers such as Book Fair or Parents Club Events, etc.) At least 2 of your 20 hours must be earned at either the "Garage Sale" in June or the "Running with Faith" event in August.

#### **B) Fundraising is required of all families.**

The *Back to School Raffle* is the only mandatory fundraiser. **Upon completion of this fundraiser, a family's mandatory Fair Share fundraising is complete for the year.**

Each family is required to sell a certain amount of raffle tickets based on the number of children enrolled in school. Raffle tickets are distributed to families in May. Families are required to sell or purchase all of their raffle tickets before the August *Information Day*. The winning tickets are drawn at the *Running with Faith* event in August.

**Raffle Ticket Obligation (and Fair Share minimum requirement)**

- 1 child (K-8) = 40 \$10 raffle tickets or \$400
- 2 children (K-8) = 50 \$10 raffle tickets or \$500
- 3 or more children (K-8) = 60 \$10 raffle tickets or \$600
- Preschool (per child) = 10 \$10 raffle tickets or \$100

**The dollar amount of any unsold raffle tickets will be added to your tuition bill following the August event.**

**Any families who register for the 2016-2017 school year after the August event will be responsible for a portion of the fundraising obligation calculated based on the number of months remaining in the school year. (Our fundraising year is March – February.)**

**FAIR SHARE MANDATORY FUNDRAISING BREAKDOWN**

For families that register after July 31st.

Unearned Service Hours will be calculated at \$50 per hour. For families that use the FACTS tuition program, money owed will be added to your remaining FACTS balance.

Should you choose to do additional fundraising above and beyond the required raffle tickets, you will earn 100% of the predetermined profit (as outlined below) as a fundraising credit. Any credits accrued through the Fair Share Program (ending in February) will be applied toward new charges at St. Jude starting in March. ## **XVI OTHER**

### **MISSING PERSON and HIS/HER SCHOOL RECORD**

Each school shall follow the provisions of Section 5(a) of the Missing Children Records Act, 325 ILCS 50/5, which requires each school to have a system in place that flags records requests for any current or former student reported as a missing person by the Illinois State police.

The procedure is as follows:

Upon notification by the Illinois State Police of a person's disappearance, a school in which the person is currently or was previously enrolled shall flag the record of that person in such a manner that whenever a copy of or information regarding the record is requested, the school shall be alerted to the fact that the record is that of a missing person. The school shall immediately report to the Illinois State Police any request concerning flagged records or knowledge as to the whereabouts of any missing person. Upon notification by the Illinois State Police that the missing person has been recovered, the school shall remove the flag from the person's record.

### **REPORTING DRUG VIOLATIONS to AUTHORITIES**

Each school shall follow the provisions of the School Reporting of Drug Violations Act, 105 ILCS 127 which provides that the superintendent of the school or his or her designee shall report all instances of “drug violations” to local law enforcement officials or to the office of the county sheriff of the municipality or county where the school is located.

- a. A “drug violation” is when any of the following occurs on school property, on a public way within 1,000 feet of a school, or on any property owned, leased, or contracted by a school to transport students to or from school or to or from a school related activity:

A person knowingly manufactures, delivers, or possesses with intent to deliver, or manufacture, cannabis in a school, in violation of the Cannabis Control Act, 720 ILCS 550, Section 5.2; or

A person delivers a controlled, counterfeit or look-alike substance to a person under 18 years of age, in violation of the Illinois Controlled Substances Act, 720 ILCS 570, Sections 401(b) and or 407; or

A person knowingly possesses, procures, transports, stores, or delivers any methamphetamine precursor or substance containing any methamphetamine precursor in standard dosage form with the intent that it be used to manufacture methamphetamine or a substance containing methamphetamine, in violation of the Methamphetamine Control and Community Protection Act, 720 ILCS 646 *et seq.*

- b. Reporting. Upon receiving any report from any school personnel regarding a verified incident involving drugs in a school or on school owned or leased property, the superintendent or his or her designee shall report such drug-related incident occurring in a school or school property to the local law enforcement authorities immediately and to the Illinois State Police. Reports to the Illinois State Police can be made through the School Incident Reporting System (“SIRS”), a web-based application used by schools to report incidents electronically. Note that reporting through SIRS does not satisfy the requirement to report the incident to local law enforcement authorities as well. 105 ILCS 5/10-27.1B

### **REPORTING FIREARMS on SCHOOL PROPERTY to AUTHORITIES**

Upon receiving any report from any school personnel regarding a verified incident involving a firearm in a school or on school owned or leased property, the superintendent or his or her designee shall report such firearm-related incident occurring in a school or on school property to the local law enforcement authorities no

later than 24 hours after the occurrence of the incident **and** to the Illinois State Police. Reports to the Illinois State Police can be made through the School Incident Reporting System (“SIRS”), a web-based application used by schools to report incidents electronically. Note that reporting through SIRS does not satisfy the requirement to report the incident to local law enforcement authorities as well. 105 ILCS 5/27.1A, 5/34-8.05

**REPORTING ATTACKS on SCHOOL PERSONNEL to AUTHORITIES**

Upon receiving a written complaint from any school personnel, the superintendent or his or her designee shall report an incident of battery committed against a teacher, teacher personnel, administrative personnel or educational support personnel to the local law enforcement authorities immediately after the occurrence of the attack **and** to the Illinois State Police’s Illinois Uniform Crime Reporting Program no later than 3 days after the occurrence of the attack. Note that reporting through the Uniform Crime Reporting Program does not satisfy the requirement to report the incident to local law enforcement authorities as well. 105 ILCS 5/10-21.7

**NON-DISCRIMINATION**

Schools operated under the auspices of the Diocese of Joliet admit students of any race, color, gender, national and ethnic origin, and immigration status to all the rights, privileges, programs and activities generally available to students at the schools. The names of the elementary and secondary schools can be found in the OFFICIAL CATHOLIC DIRECTORY, published annually.

**PUBLIC ADVOCACY**

St. Jude School does not pursue public policy advocacy as part of our regular program activities. However, being a Catholic community we are occasionally called upon to share knowledge and expertise relevant to society at large. We are also called upon by our mission of service to Jesus Christ to sign on to formal and informal coalitions that advocate for the needs of others.

The school Principal may authorize participation in such activities when it is determined that participation coincides with the mission of St. Jude School. The nature and extent of such participation will be determined by the Principal and staff assigned to the advocacy program.

**VOLUNTEER HANDBOOK**

Volunteers are critical to the success of St. Jude School and are essential to the school’s day-to-day operations. Volunteers and paid staff are considered partners in implementing the mission and programs of the school, each with complimentary roles to play.

**Thank you for becoming a part of the ministry and service of St. Jude School.**

**Equal Opportunity Policy**

St. Jude School maintains a strong policy of equal volunteer opportunity. We recruit, accept, train, promote, and dismiss volunteers on the basis of personal competence and position performance, without regard to race, color, national origin, age, gender, marital status, political affiliation, veteran status, or mental and physical disabilities which do not impact one’s ability to perform. A preference for Catholicism for certain positions is allowed under Federal Law and does not constitute discrimination.

**Procedures**

- Background checks and reference checks may be required for volunteer positions within St. Jude School.
- Compliance with and training from Protecting God’s Children as well as the Diocese of Joliet are required.
- All volunteers must comply with the Diocesan Policy of Christian Conduct.
- Volunteers will receive a general orientation. Volunteers may receive specific training for specific tasks.
- Volunteers are a valuable asset to St. Jude School, and recognition will happen. An annual thank you Mass and breakfast is usually planned in the spring of the year.

A system of record keeping will be maintained for each volunteer within the school. The record will include required documents, (sign in/out sheets, computer attendance), results of background checks (if necessary),

Protecting God’s Children certification, and dates and times of service. Volunteers must be accountable to maintain their own records and to report in and out of events/meetings.

- Position descriptions will be maintained for each volunteer or group of volunteers, for example, the Athletics Board or Parents Club.
- Volunteer Conduct must meet the standards spelled out by the Diocese of Joliet.
- Volunteers should be present and on time for each event or activity in which they are scheduled. Chairpersons should be contacted within 24 hours before an event in the case of an emergency.
- Volunteers are expected to act professionally and in accordance with their position. In a grievance, every effort will be made to resolve issues in as timely and effective manner possible. The volunteer should first speak to the chairperson and attempt to resolve any issues. If this is not successful, the principal will be consulted. The final authority lies with the Pastor who will be consulted only if previous methods fail to resolve the issue.

(Confidentiality may not be guaranteed for complaints involving sexual harassment or child abuse.)

- Volunteers deserve meaningful feedback on their efforts to help them grow in their role. This feedback is informal and will be given by school personnel usually at the time of service. Other opportunities for meaningful development may arise over the course or tenure for the volunteer role. Volunteers will be made aware of these options and be given the opportunity to take advantage of them for personal growth.
- Volunteers will be asked to attend orientation times when school personnel will give them specific tasks and procedures. Room parents meet for the first time on “Back to School” Night in August. Training sessions for Athletic volunteers will take place before the start of the particular season.
- As a volunteer, you have the right to discontinue your service at any time. Please be courteous. Notify the chairperson or officer, as well as administration of the school.
- Please be careful never to represent yourself to the media as a spokesperson of the school. Only the Pastor and Principal may speak for the school publicly, unless appointed.
- Volunteering should be an enjoyable experience. Harassment is not only illegal, but it also creates uncomfortable conditions and an unpleasant experience for everyone involved. Any volunteer who feels harassed is strongly urged to speak to his or her volunteer coordinator, the Principal, and Pastor immediately in an attempt to reach a solution.
- Dress code is such that everyone representing St. Jude School should be clean, neat, and modest.
- Volunteer hours will be recorded on a sign in sheet for the purpose of the Fair Share Program.

If a volunteer has access to confidential information, (such as medical treatments, diagnosis, financial information, contributions made, information regarding homes or incomes, information of arrests or allegations of abuse), he or she MUST follow the confidentiality policy instituted by the school and parishes.

### **CONFLICT OF INTEREST**

All volunteers are expected to display loyalty to St. Jude School. Individual interests of a third party are to be put aside for the betterment of the school as a whole. Conflict of interest may take the form of a volunteer seeking financial gain or special privileges for family members based on confidential information.

A volunteer is under obligation to disclose any actual or potential conflict of interest to the school principal as soon as it is known.

### **SAFETY**

Although St. Jude does its best to provide safe conditions for volunteers, volunteers should speak up if they have a safety concern.

- Volunteers are often concerned about their own liability in service for the school. Volunteers can be held responsible for actions taken while under the service of volunteerism for St. Jude School, especially in the case of misuse of judgment or equipment, though they are somewhat protected by immunity clauses.

- Insurance and safety experts preclude allowing infant and toddler presence for certain volunteer activities and non-school children cannot ride a bus on a field trip or activity. Please be respectful when these factors must be considered in volunteer service.

### **ADVANCEMENT**

- Understanding that volunteers may wish to transition to other meaningful capacities in the school, staff and volunteer coordinators will sometimes make open and available other volunteer positions in the school to current volunteers.

At any point during the course of a volunteer’s service, the volunteer is invited to inform the staff member of their interest in other volunteer roles or opportunities. Every attempt will be made to accommodate the volunteer’s desire to advance to new volunteer roles.

### **5313 BULLYING PREVENTION POLICY**

All elementary and secondary schools in the Diocese of Joliet shall actively seek to provide a supportive, caring environment in which all persons are safe from all forms of intimidation including bullying, which is unacceptable, unchristian and strictly prohibited.

For the purpose of this policy, bullying is defined in conformity with Illinois Law as follows:

“Any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- (1) Placing the student or students in reasonable fear of harm to the student’s or students’ person or property;
- (2) Causing a substantially detrimental effect on the student’s or students’ physical or mental health;
- (3) Substantially interfering with the student’s or students’ academic performance; or
- (4) Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.”

105 ILCS 5/27-23.7 (b)

### **Bullying Conduct**

Bullying conduct covered by this policy is conduct that occurs on school property or at school sponsored activities or events; while students are being transported or walking to or from school or school sponsored activities or events; while students are waiting at school bus stops; or cyber bullying as defined hereinafter.

### **Cyber Bullying**

This policy prohibits bullying and intimidation of students through the use of internet and social media sites on any electronic device (private, public, or school owned), whether on or off the school campus, or during non school hours.

Any student who engages in bullying will be subject to appropriate discipline, up to and including suspension or expulsion and referral to local law enforcement. Behavioral interventions may be included as a component of the disciplinary actions. This may include but is not limited to mandatory counseling.

Retaliatory behavior by a student accused of bullying will also incur consequences. False accusations of bullying will result in disciplinary action taken against the accuser.

Any reported bullying issue will be promptly brought to the attention of the appropriate party: the Pastor or the Principal or designee, and thereafter investigated.

## **STUDENT WELLNESS POLICY**

### **BELIEF STATEMENT**

The Diocese of Joliet is committed to providing a learning environment that supports and promotes wellness, good nutrition, and an active lifestyle and recognizes the positive relationship between good nutrition, physical activity and the capacity of students to develop and learn. The entire school environment shall be aligned with healthy school goals to positively influence students' beliefs and habits and promote health and wellness, good nutrition and regular physical activity. In addition, school staff shall be encouraged to model healthy eating and physical activity as a valuable part of daily life.

### **INTENT**

The purpose of this policy is to ensure a total school environment that promotes and supports student health and wellness, helps to reduce childhood obesity and meets the requirements of the Child Nutrition and WIC Reauthorization Act of 2004, including goals for nutrition education, physical activity and other school based activities designed to promote students wellness; nutrition guidelines for all foods available during the school day; a plan for measuring implementation including designating one or more persons charged with operational responsibility; and involving parents, students, school food service providers, the school board, school administrators, and the public in developing this policy.

### **RATIONALE**

The link between nutrition and learning is well documented. Healthy eating patterns are essential for students to achieve their full academic potential, full physical and mental growth and lifelong health and well-being. Healthy eating is demonstrably linked to reduced risk of the development of many chronic diseases. Schools and school communities have a responsibility to help students acquire the knowledge and skills necessary to establish and maintain lifelong healthy eating patterns. Well-planned and well-implemented wellness programs have been shown to positively influence children's health.

Schools also have a responsibility to help students establish and maintain lifelong habits of being physically active. According to the U.S. Surgeon General, regular physical activity is one of the most important things people can do to maintain and improve their physical health, mental health, and overall well-being. Regular physical activity reduces the risk of premature death in general and of heart disease, high blood pressure, colon cancer, and diabetes.

### **GOALS FOR NUTRITION EDUCATION**
